| <b>Response Rate:</b> | 45.71% (16 of 35)  |
| <b>1</b>              | she is a very nice professor   |
| <b>2</b>              | perfect  |
| <b>3</b>              | good job! i.like this instructor a lot!  |
| <b>4</b>              | There are some mistakes in my midterm evaluation.  |
| <b>5</b>              | The professor works very hard and I think she is good enough as a teacher.   |
| <b>6</b>              | The instructor is very nice and respectful to students. I even like this course more because of her character.   |
| <b>7</b>              | The instructor may need to spend more time on explaining some concepts in programming and helping students to practice problems.                         |
| <b>8</b>              | She is great! At the beginning I was really confused about programming, after going to her office hour, things got better.                               |
| <b>9</b>              | She gives me a lot support and makes me feel confident while facing difficulties.  |
| <b>10</b>             | Professor Celina was really nice and kind. She did well in teaching us and helping us solving problems during lectures and office hours.                 |
| <b>11</b>             | One of the best instructors I have met so far.<br>Very responsible   |
| <b>12</b>             | Not let students always study course online.   |
| <b>13</b>             | It would be better to teach more in class instead of taking exercise.  |
| <b>14</b>             | Dr. Berg explained the course material really clear, and Dr. Celina really care about her students.  |
| <b>15</b>             | Celina is always very helpful with great enthusiasm. She is patient and encourages every student including me, which brings my confidence to study well. |
| <b>16</b>             | All things are good.   |
